| Encinitas | 26,000 | 3,967 | 15% |
| Colorado Springs | 222,500 | 0 | 0% |
| Carlsbad | 52,000 | 0 | 0% |
| Total | 368,098 | 19,791 | 5% |

SA = Serviceable Address

1. Defined as premises to which Ting infrastructure or Ting's partner infrastructure has the capability to provide a customer connection in a service area.
2. On leased networks, Ting may not be the sole Internet service provider (ISP), or may have a head start before other providers or services. As a result, we do not expect long-term subscriber penetration to be as high as on our owned networks, where we are the sole ISP.
